Celebrate the holiday season with ***Disney's Frozen, The Broadway Musical***—a breathtaking stage production filled with iconic songs, dazzling visuals, and unforgettable magic for the whole family. Based on the 2013 Disney film that became a cultural phenomenon, ***Frozen*** tells the powerful tale of two royal sisters, Elsa and Anna, whose love for each other is tested by fear, self-discovery, and the forces of nature. When Elsa's magical powers accidentally plunge the kingdom of Arendelle into eternal winter, Anna sets off on a perilous journey—joined by rugged mountain man Kristoff, his reindeer Sven, and the lovable

snowman Olaf —to bring back summer and mend the bond with her sister. Featuring dazzling costumes, breathtaking set design, and unforgettable performances, ***Frozen*** includes iconic songs such as “Let It Go,” “Do You Want to Build a Snowman?” and “For the First Time in Forever,” along with original music written exclusively for the Broadway stage. This theatrical spectacle brings the heart and wonder of the film to life in a way only live theatre can.

Director, Peppy Biddy said, "***Frozen*** will offer Jackson audiences of all ages the opportunity to experience a locally produced theatrical spectacle of the highest quality."

“We are thrilled to bring the magic of ***Disney’s Frozen*** to life at New Stage Theatre,” said Francine Reynolds, New Stage Artistic Director. “A celebration of music, story, and the enduring magic that theatre can bring, this beloved musical is the perfect gem in our Diamond Season celebrating sixty years of theatre that truly shines. With our talented team creating an unforgettable experience, the enchanting tale of ***Frozen*** comes alive on our stage reminding us that love—like theatre—has the power to transform, to heal, and to shine through every season.”
