INTO THE BREECHES. Classic Style Comedy

By George Brant

1942. The theatre's director and leading men are off at war overseas. Determined to press on, the ladies at the home front set out to produce an all-female version of Shakespeare's Henry V, assembling an enthusiastic yet amateur team. Will their production be a victory? Or will it be a target of disinterest and rotten tomatoes? Together they are determined that the show must go on! A hilarious and heartwarming comedy about the singular way art and community reveal our boldest selves even in the darkest times.
