1. What was your overall reaction to the play? (Acting, Story-telling, singing, dancing)
2. How do you feel about the production value of the performance (costumes, set, performers, etc.)?
3. How did your students react to the production?
4. Did you utilize the study guide materials? Why or why not? (We would love to see some of the work your students have done!)
5. Please comment on the education value of the program presented. How would you incorporate this into the classroom?
6. Why do you think it is important to experience live theatre? How do you feel about it?
7. Please list any other comments or observations. (What other plays would you like to see staged for your students?) **Use the back of the page if you need more space ☺**
