

Jerry Bangum: Just enjoyed a production of Dominique Morriseau's Pipeline. The Oregon Shakespeare Festival is doing a new play by her this coming season.

Diana Howell: John Howell and I saw this last night. It is a powerful and thought-provoking play, executed by an amazing cast in 90 short minutes. New Stage is still open for business, but we didn't want to risk not seeing this show. Put it on your immediate to-do list just in case!!

Melody Chimahusky: I love how New Stage gives us a variety of performances, but my favorites are the shows that show real, relatable stories (Pipeline, Morningside, Sweat). I really appreciate when the characters speak in a way that actual people speak today, even when it may sometimes be uncomfortable to hear. Please continue to tell us stories that ask questions and make us think, in addition to those that make us laugh or are more traditional!

Simonee Patton Miller: I thoroughly enjoyed last Tuesday night's performance. So saddened that Pipeline closed early. Wonderful performances and thought-provoking dialogue.

Amy Hedrick Robertson: I'm saddened by the early close on a show that so many NEED to see. I am blessed that as a season ticket holder I had the opportunity to experience this outstanding cast give a gut wrenching performance. Kudos to you all. New Stage never fails in bringing thought provoking, timely shows to your audience. ❤️

Virginia Ezelle: It was a wonderful production! So glad we were able to see it!

Emily Burton Waterloo: Wish you could do a live capture! I'm dying to see this show!

Laura Godfrey Hendon: So glad I was able to see Sunday's performance- amazing job by all!!!

Fredna H. Gibson: We really enjoyed Pipeline last week.

Gwendolyn Lee: We were so disappointed not to be able to come Sunday!

Erica Skelton Stutzman: So sad to miss it but it is the right decision 😞

Jennifer Sivak: So sad that we won't get to experience this show on Friday night. 😞

Karen Monroe: Great job Kyle Devin!!❤️

Phyllis Wood: It was really good while it lasted.
