

## Mayor's Youth Council hosts We Shall Not Be Moved

Special to the DD-T

Mayor Errick D. Simmons and the Mayor's Youth Council proudly hosted the Black History Program, We Shall Not Be Moved, featuring a powerful theatrical performance by New Stage Theatre.

This inspiring event celebrated the resilience, achievements, and contributions of African Americans through storytelling, performance, and reflection.

"Black history is American history," Simmons said. "It is essential that we uplift the stories of strength, persever-

ance, and progress."

Simmons offered a special thank you to the sponsors, "Thank you Black Rodeo Party Rodeo, New Stage Theater, Sheriff Milton Gaston, Board of Supervisors attorney Willie Griffin, the City of Greenville, Judge Margret McCray, and Simmons and Simmons Law Firm for their generous support in making this event possible, Simmons said. "Thank you to our community leaders and everyone who joined us in honoring the past and empowering the future."
