What the Constitution Means to Me

Fifteen-year-old Heidi earned her college tuition by winning Constitutional debate competitions held across the United States. In this hilarious, hopeful, and achingly human play, Heidi Schreck resurrects her teenage self to trace the profound relationship between four generations of women and the founding document that shaped their lives. This powerful play is a love letter to our constitution, giving it new life and imagining how it will shape the next generations of Americans.

What the Constitution Means to Me contains adult language and themes that may not be suitable for all ages. *Recommended for ages 14+.*

**"Upbrausingly funny, wrenchingly moving,
critically challenging, and politically inspiring"**
