# WAIT UNTIL DARK

In the darkest moments, the truth finds its light

**WAIT UNTIL DARK** premiered on Broadway, Jeffrey Hatcher has adapted Frederick Knott's 1966 original, giving it a new setting. In 1944 Greenwich Village, Susan Hendrix, a blind yet capable woman, is imperiled by a trio of men in her own apartment. As the climax builds, Susan discovers that her blindness just might be the key to her escape, but she and her tormentors must wait until dark to play out this classic thriller's chilling conclusion. Don't let the quaint apartment of Susan and Sam Hendrix fool you; hidden within is a score for which thieves and common would kill. Employing disguise and deception, two newly acquainted crooks become all the more desperate and depraved, but must wait until dark to play out this classic thriller's chilling conclusion. This adaptation captures the suspense made famous by the previous work in a new time/setting. *Recommended for 12+.*
