THE ATTALA COUNTY GARDEN CLUB

*Steel Magnolias
meets Get Out*

"Mr. Payne is a deft and witty writer." - The New York Times

In 1987 Mississippi, Rose Chipley's social ambitions are crushed when she's rejected by the elite City Garden Club. But just as all hope seems lost, a quirky invitation from the eccentric Betty Little-Landrums offers a tantalizing alternative—the Attala County Garden Club. What begins as a charming escape soon takes a decidedly darker turn as Rose stumbles upon the club's mysterious, moonlit gardening rituals. Beneath the petals and pruned hedges, a web of secrets begins to bloom, and Rose soon realizes that the garden club's members might not just be cultivating flowers... but something far more dangerous. *The Attala County Garden Club* is a bewitching comedy where the stakes are higher than you'd expect, and the soil is thick with secrets. *Recommended for ages 16+.*
